

2023 WillaJory Willamette Valley Pinot Noir

"WillaJory wine takes its name from the 50-million-year-old marine sedimentary Willakenzie and the 20-million-year-old volcanic Jory soils that are renowned in the Willamette Valley and are the foundation of the property. We began developing Erratic Oaks Vineyard almost twenty years ago, and I continue to be awe-struck each year: Beautiful acreage in the Mt. Pisgah sub-AVA of the Willamette Valley, just across the road from the esteemed Freedom Hill Vineyard, but with a slightly warmer Southwest-facing orientation." -Howard Rossbach, Owner

WillaJory Willamette Valley Pinot Noir, sourced entirely from our L.I.V.E certified sustainable Erratic Oaks Vineyard, fully reflects the qualities or terroir of our magnificent site. Sourced from select blocks, the grapes were destemmed then fermented and aged in stainless steel tanks. Only the gentlest techniques were used during the alcohol and ensuing malo-lactic fermentations.

The bright rich aromas of raspberry, blackberry, strawberry and cherry meld together and flow into their flavor counterparts on the palette. Soft, yet firm tannins frame the fruit with spices and vanilla into a balanced, lingering finish.

Wine Specifications

Vintage: 2023

Acid: 5.5 g/l

pH: 3.51

Alcohol: 13.2%

Case Specifications

Dimension: 13x10x12

Bottles/case and weight: 12/750ml; 35lbs

Pallet size: 56 cases; 14 cases per layer

UPC: 53526 50000
