

2024 WillaJory Willamette Valley Pinot Gris

“WillaJory wine takes its name from the 50-million-year-old marine sedimentary Willakenzie and the 20-million-year-old volcanic Jory soils that are renowned in the Willamette Valley and are the foundation of the property. We began developing Erratic Oaks Vineyard almost twenty years ago, and I continue to be awe-struck each year: Beautiful acreage in the Mt. Pisgah sub-AVA of the Willamette Valley, just across the road from the esteemed Freedom Hill Vineyard, but with a slightly warmer Southwest-facing orientation.” Howard Rossbach, Owner

WillaJory Willamette Valley Pinot Gris, sourced entirely from our L.I.V.E. certified sustainable Erratic Oaks Vineyard in the Mount Pisgah sub-AVA of the Willamette Valley, fully reflects the qualities or terroir of our magnificent site. The grapes were crushed directly to temperature controlled stainless steel tanks. The cool fermentation maintains the rich freshness of our Pinot Gris fruit. Only the gentlest techniques were used.

This vibrant Pinot Gris offers exciting aromas of peaches, melon and pears. A wine with rich, yet crisp fruit and lingering finish. Enjoy with all fish, poultry, pasta and pork.

Wine Specifications

Vintage: 2024 Dimension: 13x10x12

Acid: 5.5 g/l

pH: 3.51

Alcohol: 13.6%

Case Specifications

Bottles/case and weight: 12/750ml; 35lbs

Pallet size: 56 cases; 14 cases per layer
